

FREE BUSINESS SUPPORT FOR YN PBC MEMBERS

YN PBC and the Board is working to find ways to help members start their own businesses or perhaps that have started but might want advice or support.

We have organised this opportunity to meet and speak with Many Rivers in person in Meekatharra:

14 April 2026

10AM – 2PM

**Meekatharra,
Loyds Conference Room**

So if you or someone in your family would like to access free business support or advice please let them know to come along and have a chat with Clarissa from Many Rivers.

There will be more exciting business support opportunities and trainings for our members in the next few months so watch this space!

Many Rivers helps people start their business, stay in business and thrive in business.

You have the ideas and skills to establish a business and for various reasons, have lacked the financial or practical business support to get it started.

There's no cost to get our support and we need to make sure we're supporting people that need our help the most.
